Project Information

Name:
Proposed residency dates:
Medium(s):
Ideal working space:
Necessary materials/technical requirements:

Project Description (please fill in/answer. Questions only require a short paragraph)

1. Your residency project description (**max 1500 words**)
2. A short biography with an outline of any past experience relevant to the project (**max 500 words**)
3. How you believe this residency will impact your practice?
4. How do you believe your project is relevant to the residency's goals?
5. Do you hope for a collaboration?
6. Would you like to participate in a public event?
7. What are your expected outcomes?
8. What is your timeline of production?
9. How would you best like to be supported for the project?
10. Is there anyone you would like to bring to the residency that is not involved in the project?
11. Will you be seeking grants or financial support for the project? If so which program?
12. Please list an estimated production budget.
13. Do you plan any coinciding activities during the residency period?
14. Do you have a reference person + contact details?
15. Please provide links to any relevant documents online.
16. Please describe any special requests.
17. Please note any medical conditions that could affect your stay.
